As a well-known songwriter / producer, Bob Crewe's success was established with countless hits, including "Can't Take My Eyes Off You," one of the most frequently played songs of last century, "Lady Marmalade," and "My Eyes Adored You." Bob's passion for painting never waned, and his abstract work—ever inventive and disarming—has found a wide audience who are inspired and challenged by it.

**Space at this spectacular opening
will be limited, so please RSVP by
March 1st. Call 310.358.2423 or email
